NAPLAN Testing
This is currently taking place this week for Years 3 and 5. We hope that all our children sitting for these try their very best to achieve great results.

Speech Therapy at School
Our Speech Therapist and her team have now completed their screening of over forty of our students and, on Monday, held a very informative three-hour session for our staff members as part of their Professional Learning. This session was extremely helpful for our staff and, as a result, I have asked her to hold a shorter, one-hour session for all interested parents in the near future. This would be very worthwhile to parents who would benefit.

Next week our Speech Therapist, Isabella, will commence working alongside teachers in classrooms on a weekly basis.

Life Education Van
The Life education Van will again be at our School during Week 10 this term from the 22nd to the 25th June. I know our students are keen to catch up with Healthy Harold again.

Trivia Night
Many prizes have already been secured for this fun night at Doyalson RSL on Saturday, 6th June so don’t miss the event. This is part of the school fundraising for our students’ resources. Some tables have already been booked so start organising your team and tell others about it - the more the merrier!

After-School Sports Day
Each Monday after school this term we are holding free Sports afternoons for any of our students who wish to take part. The cost is absolutely nothing and our students receive free drink bottles and afternoon tea when attending. This has been organised through Sport & Rec in collaboration with Horizons and is an extremely worthwhile activity for our students. All students attending must be accompanied by a parent. We are most fortunate to be able to offer this to our students.

Bullying
Children of all ages at our school are being taught through the classroom curriculum that: When I have a problem I can: Try to stand up for myself in a positive way; Try to talk with the person I am having a problem with; Walk away and ignore the person completely; Get help from a teacher or another person I trust; Ignore the situation and keep playing or working; Talk to a friend to get some ideas to help me make a decision; or Try coming to an agreement with the other person.

You can reinforce these messages by discussing them with your children at home.

On Friday all students can wear mufti clothes (no singlets, thongs or sandals) but must bring in a gold coin donation to help our V.R.S.

Thank you

Congratulations to our Premiers Debating Competition team of Kaitlyn Groves, Riley Gafa, Jaali Douglass and Tobias Sutherland who successfully defeated Northlakes Public School, arguing the affirmative side on the topic - that homework should be banned for primary students. Fundraising News
A **HUGE** thank you!!

Dear children, parents, carers, families and friends,

Thank you all for your amazing support for our Mother’s Day stall. It was, to say the least, a lovely success and we raised approx $1450.

Thank you to all the families who donated so many lovely gifts for the stall. They really ensure that we had a lovely range of gifts for all. Thank you all for enabling your children to visit the stall and for visiting the stall yourself.

Thank you to the children who were lovely, so well mannered and so thoughtful as they tried to find just the ‘right’ gift to suit the people they care about.

Thank you to Katrina, Michael and all the Reynolds family who shared their time and creativity with us by making and donating their living bouquet gardens. We can safely say they were ‘a hit’.

Thank you to our school leaders, Brayden and Aleeeza who helped us run the stall on the day. Thanks to Reece, Jai and Lara who helped set up the stall.

AND finally thanks to Lisa, Katia, Mel, Jenny, Rhani, Christy, Tammy and of course ‘Little Nan’ who set up and ran the stall on the day.

Thank you all! We couldn’t have done it without you.

See flyer further in the newsletter.

We generally try to have at least 2-3 people for each shift, 3-4 people may be needed for busy times from about 11am-2pm. We try to do shifts of 2-3 hours if we have enough people. The more people we have, the shorter the shifts.

Hope to see you there!!

Baby & Mini OJ’s and Jelly Cups are very popular with the students and they enjoy choosing and seeing their flavour combinations.

Suggestions of triple decker OJ’s which we have started doing and even triple decker Jelly Cups which are being decided on. Thank you to Rhani, Kyle and Jen with their help in the canteen, especially early in the morning.
Nutrition Snippet

The simplest way
...to understand Health Star Ratings.

You may have noticed Health Star Ratings on the front of many packaged foods.

What do they mean?
Health Stars will help you make healthier choices when choosing packaged foods at the supermarket. The star rating is based on an assessment of the nutrient content of the food including the kilojoules, saturated fat, sugars and sodium (salt) as well as fruit, veg and fibre content. The more stars, the healthier the product.

Why?
63 percent of adult Australians, and ¼ children are now classed as overweight or obese. The Health Star Ratings help us make healthier choices for our whole families – with a quick glance at the packet.

Cancer Council NSW helped develop the Health Stars – because we want healthy eating to be easier for everyone. Remember, nothing beats fresh – but if you need to buy a packaged snack – look for five stars!
